Welcome to Winter Season

Hope you are all looking as forward to this season as I am.

We successfully hosted Nationals in Canberra this year. It was a fantastic effort by our members, which we can all be very proud of. States and International attendees have all commented on how smoothly it ran and how great the time keeping was. Well done ACT.

This is the first Slippery When Wet in almost a year, so we plan to make them more regular again. If you have any ideas or information that you would like to see in this newsletter, please let me know at linda.jeffery@soliddata.com.au.

Season Starts 16 May

Games move back to the mornings for winter, due to the ice hockey season playing in the afternoons.

Game times are 8:30am and 9:15am.

To enter a team or join a team phone Bryce on 0405 022 983.

Winter Season Duty Team Rule

- 1) All teams must provide two umpires in games they are responsible for duty. a) If a team does not provide two umpires they will be penalised two competition points (equal to one win).
- 2) All teams must provide at least one representative to sit on the tech bench and adequately carry out the required duties of this position for games they are responsible for duty. a) If a team does not provide a representative to sit on the tech bench they will be penalised two competition points (equal to one win).
- 3) All umpires must wear helmets whilst on the ice. a) If an umpire is not wearing a helmet then the team responsible for the duty will be penalised one competition point (equal to one draw).

If you wish to discuss this please reply to scooter_bryce@hotmail.com or phone me on 0405022983.

Congratulations

Shane Martin

Well done Nationals helpers

We would like to put forward a

big thank you

to every individual that helped with Nationals. This was a great nationals and was made all the better by all of you.

I know our international (Doug & Curtis Nixon) and interstate people thoroughly enjoyed it and as Doug mentioned at presentation, the time keeping at this nationals was the best he has seen here, so well done to every single person who was involved.

Thanks to the state players that helped with refereeing, chasing balls and even sitting on the bench for a few minutes where necessary.

Thanks to John and the rink for having us there throughout the night to the wee hours. You made it a great experience.

Here's some of the helpers that spent many hours at and before nationals to make sure it ran smoothly:

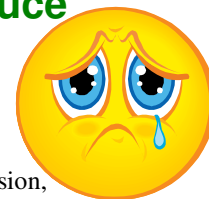

Bruce, Liv, Bryce, Shane, Ness, Brenden, Jose, Mish, Em, Kevin, Linda, Bonny, Manny, JJ, Bek, Lisa, Tracy, Dave L, Steve, James, Wayne, Ani, Jaquie

Farewell and Thank You Bruce & Brenden

Bruce has retired from broomball and broomball committee for family reasons.

Thank you very much for the enormous efforts, passion, time and personal cost you have put into ACT broomball over many years. Broomball in the ACT has been better for your involvement.

We'd also like to thank Brenden Geeves for his tireless effort on the committee. Brenden is taking a well earned break from committee also due to family reasons.

Vacant Committee Positions

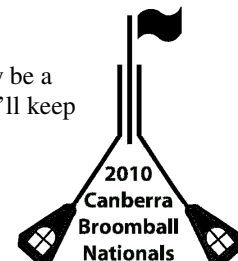

If you've ever thought about joining the committee, now would be a great time to do so. The committee exists to keep broomball running in the ACT, coordinate entry to national tournaments and promote the sport as much as we can. If you would like to help broomball in the ACT, we would love for you to work with us. Please contact Bryce for more information on 0405 022 983.

Nationals Merchandise

If you missed out on buying a polo, hoodie, beanie or cap at Nationals, let Jose know and he can get it to you.

Melbourne Ice rink

There's a new ice rink in Melbourne and there may be a mixed tournament in July or August this year. We'll keep you posted.

Can you help find a sponsor?

Broomball has long needed a sponsor to keep costs down and attract more players to the sport we all love.

If you have some time to help find a sponsor, or know a business that might sponsor broomball, please let a committee member know (see committee list at back of this newsletter).

Local Broomball Just Got Cheaper!

We've removed funding Nationals from the local league fees.

What this means is that local league has become cheaper and starting next year Nationals will be completely user pays, registration fees included.
