

Broomball coach named

MARK Heinrich has been appointed ACT coach for that most inconspicuous of sports, broomball.

Heinrich, who was one of the sport's founders in this country, will take an ACT squad to the Gold Coast on the Queen's Birthday weekend to defend their crown at the National Titles.

The ACT holds both the Men's and Mixed National Titles, and Heinrich has little doubt in his teams' ability.

"Nothing can stop the men's team. With their technical ability, I think it's the best team ever. The mixed team will cream all opposition, we have the best women players in Australia and possibly the world. I defy anybody to beat them," he said.

Four ACT teams will compete at the National Titles.

Further information on the sport is available on 283 2500.
